

# Mental Health and Wellness

## Subject Outline

'Mental Health and Wellness' explores attitudes to mental health conditions and relevant Australian legislation. Students will learn to articulate and demonstrate contemporary approaches to intervention, treatment and recovery, considering a diversity of needs of people in group and individual settings.

## Venue/Location

NTI Wollongong, Australia

## When does this subject take place?

Lecture dates: 25-29 September 2017

## Who Can Attend?

- Anyone can attend as a 'one-off' (non-award) student, however students who do not have English as a first language must have at least IELTS 6.5 with no sub-band score less than 6.0, and obtained not more than two years before the date of enrolment.
- Students who wish to take this subject as part of NTI's Postgraduate Program in Health and Social Wellbeing (award students) must meet the entry requirements for the Graduate Program (including the English requirement listed above).

## Frequently Asked Questions
